GOVERNOR

SHERIFF DALE GRIBLER
CHAIR

February 14, 2011

Dear Service Supplier:

This letter is being sent to all known service suppliers that may meet the criteria for billing and collecting Michigan 9-1-1 charges. The Michigan 9-1-1 Office is aware that not all service suppliers receiving this notice may provide service in Michigan, but given the ever-changing market, our office is sending this letter to the broadest industry group possible.

As set forth in Michigan statute, MCL 484.1102 (g) communication service is identified as:

A service capable of accessing, connecting with, or interfacing with a 9-1-1 system, exclusively through the numerals 9-1-1, by dialing, initializing, or otherwise activating the 9-1-1 system through the numerals 9-1-1 by means of a local telephone device, cellular telephone device, wireless communication device, interconnected voice over the internet device, or any other means.

If your company provides service in Michigan that meets the definition of a communication service under MCL 484.1102 (g), please complete the enclosed service supplier contact information form and return it to our office using the address provided at the top of the form. The form can also be accessed on our web site www.michigan.gov/snc under Communication Provider Information.

If your company does not provide a communication service meeting the statutory definition set out in MCL 484.1102 (g), or your company does not provide service to customers within the geographical boundaries of Michigan, please check the appropriate boxes in Section III B of the enclosed form and return using the address provided at the top of the form. The form can also be accessed on our web site www.michigan.gov/snc under Communication Provider Information.

Service suppliers are required to provide this information in accordance with MCL 484.1201(4):

Each service supplier in this state is required to provide each of its service users access to the 9-1-1 system. Each service supplier shall provide the Committee with contact information to allow for notifications as required under Section 714.

The information provided will enable us to provide notice to service suppliers of any changes in the Michigan 9-1-1 charges.

Please visit the Michigan Department of Treasury website at www.michigan.gov/emergency911charges to obtain the appropriate form for remitting the Michigan 9-1-1 charges.

If you have any questions regarding any of this information, please feel free to contact me at 517-241-0080 or via e-mail at millerhr@michigan.gov.

Sincerely,

Ms. HARRIET MILLER-BROWN
